

Антресольная полка
площадью 10,0723 м²

Высота от потолка
антресоли до пола
2,257 м.

The diagram shows a complex, stepped profile of a mezzanine structure. It consists of several horizontal and vertical segments. A callout box on the left side provides specific data for one of the upper sections: the mezzanine platform has an area of 10.0723 m², and the height from the ceiling of the mezzanine to the floor below is 2.257 m. The structure is shown in a simplified, line-art style.
